SIBLING DISCOUNT POLICY

The Kinney Center recognizes the financial strain created when siblings with autism are enrolled in the same program. To reduce financial strain, the Kinney Center Sibling Discount Policy provides the following discounts for families with more than one child with autism enrolled in the same program.

Social Skills Program, Kids Night Out, Kinney Sports, College-Bound Retreat:

- Cost for first child attending: full price
- Discount for each additional child attending: 25% off

Since Camp Kinney is an all-inclusive program accepting both children with autism and children who are typically developing, the Sibling Discount Policy will also apply for families enrolling their child with autism and their neurotypical siblings.

Camp Kinney:

- Cost for first child attending: full price
- Discount for each additional child attending: 25% off
